**AMENDMENT**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

This communication is responsive to your office action dated November 5, 2002 and entitled "Notice to File Corrected Application Papers" which includes a "Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures." Enclosed please find a fully compliant sequence listing. Also submitted herein is a request to have submitted drawings deleted from the specification.

This Amendment complies with the requirements as set forth in 37 C.F.R. 1.821-1.825 and includes a paper copy of the "Sequence Listing" (37 C.F.R. 1.821(c)) along with a computer readable copy of same (37 C.F.R. 1.821(e)). We respectfully request the entry of the "Sequence Listing" provided herein into the specification.

Please note, the content of the paper and computer readable copies being presently submitted are the same and include no new matter or substantive variances from the original
